

## Don't Let the Music Stop - Lyrics

### Part 1

Don't let the music stop, let's keep it firm and strong  
Don't let the music stop, let's sing the whole day long\_\_\_  
Don't let the music stop, don't let it ever cease  
Cause the music that I sing makes the world go round, it  
brings love and joy and peace\_\_\_

### Part 2

I hear her singing, varied carols I hear  
I hear America singing, I hear her singing  
Varied carols I hear\_\_\_

\*\*Then sing both parts together – (partner song). Part 2 starts! Part 1 comes in on the word “Hear”
